The Commission has requested clarification on Schedule A of our report from individuals who have mailing addresses outside of the United States. In accordance with the safe harbor guidelines outlined in 11 CFR 110.20(a)(7), the Committee has safeguards in place to ensure that the contributions are not made by foreign nationals.

The Commission has requested clarification on Schedule A of our report on contributions received from political committees not registered with the Commission. The committee sends a follow up letter to the unregistered committee which informs them of the law relative to unregistered committees and requests confirmation that the contribution was made with federally permissible funds. If the committee has any information indicating the contribution is impermissible, a refund is issued within 30 days of the committee making this determination.

Sincerely,
